

DEVICE-AS-A-SERVICE FOR YOUR ED-TECH

ALL YOUR DEVICES & SUPPORT: ONE SIMPLE PAYMENT

Planning for new technology acquisitions is no easy task. Beyond choosing the best technology, the deployment, installation, maintenance, support, and end of life logistics should also be considered. Each aspect takes time and can incur unexpected costs. By partnering with Insight Financial Services, we take on the challenges of lifecycle management allowing you to stay focused on teaching and learning.

OUR DAAS SOLUTION WILL ALLOW YOU TO:

- Have access to state-of-the-art technology to improve learning outcomes
- Free up IT resources to focus on more strategic initiatives
- Create a predictable budget and refresh plan
- Include various devices, software and services into one payment
