# HOW CAN PARTNERING WITH IFS HELP YOU?

- Dedicated team that is focused on K12 and Higher Ed
- We invest time with your clients to customize their solution
- Ability for the customer to accelerate deployment and increase your order size
- Visibility to planned refresh periods
- Sell annual payment versus large capital spikes
- Bundle software, services and other soft costs
- Access to finance and business services

A person is sitting on a dark, modern bench outdoors. They are wearing a patterned shirt, dark pants, and black sneakers with white laces. A large brown leather bag is resting on the bench next to them. They are using a silver laptop, with their hands on the keyboard. The background is a soft-focus view of a park with yellow flowers and trees under warm, golden light.

# IDEAS THAT CAN HELP JUMPSTART A LEASING SOLUTION CONVERSATION

- Change the conversation to sustainability, predictability and long-term strategy.
- Start the conversation early
- Avoid discussions on paying with cash and ownership
- Are you looking for a way to build a sustainable equipment budget that includes equipment and maintenance?
- What is your strategy to manage the eventual refresh in 4 or 5 years?
- Are you interested in creating a predictable budget for your equipment needs?

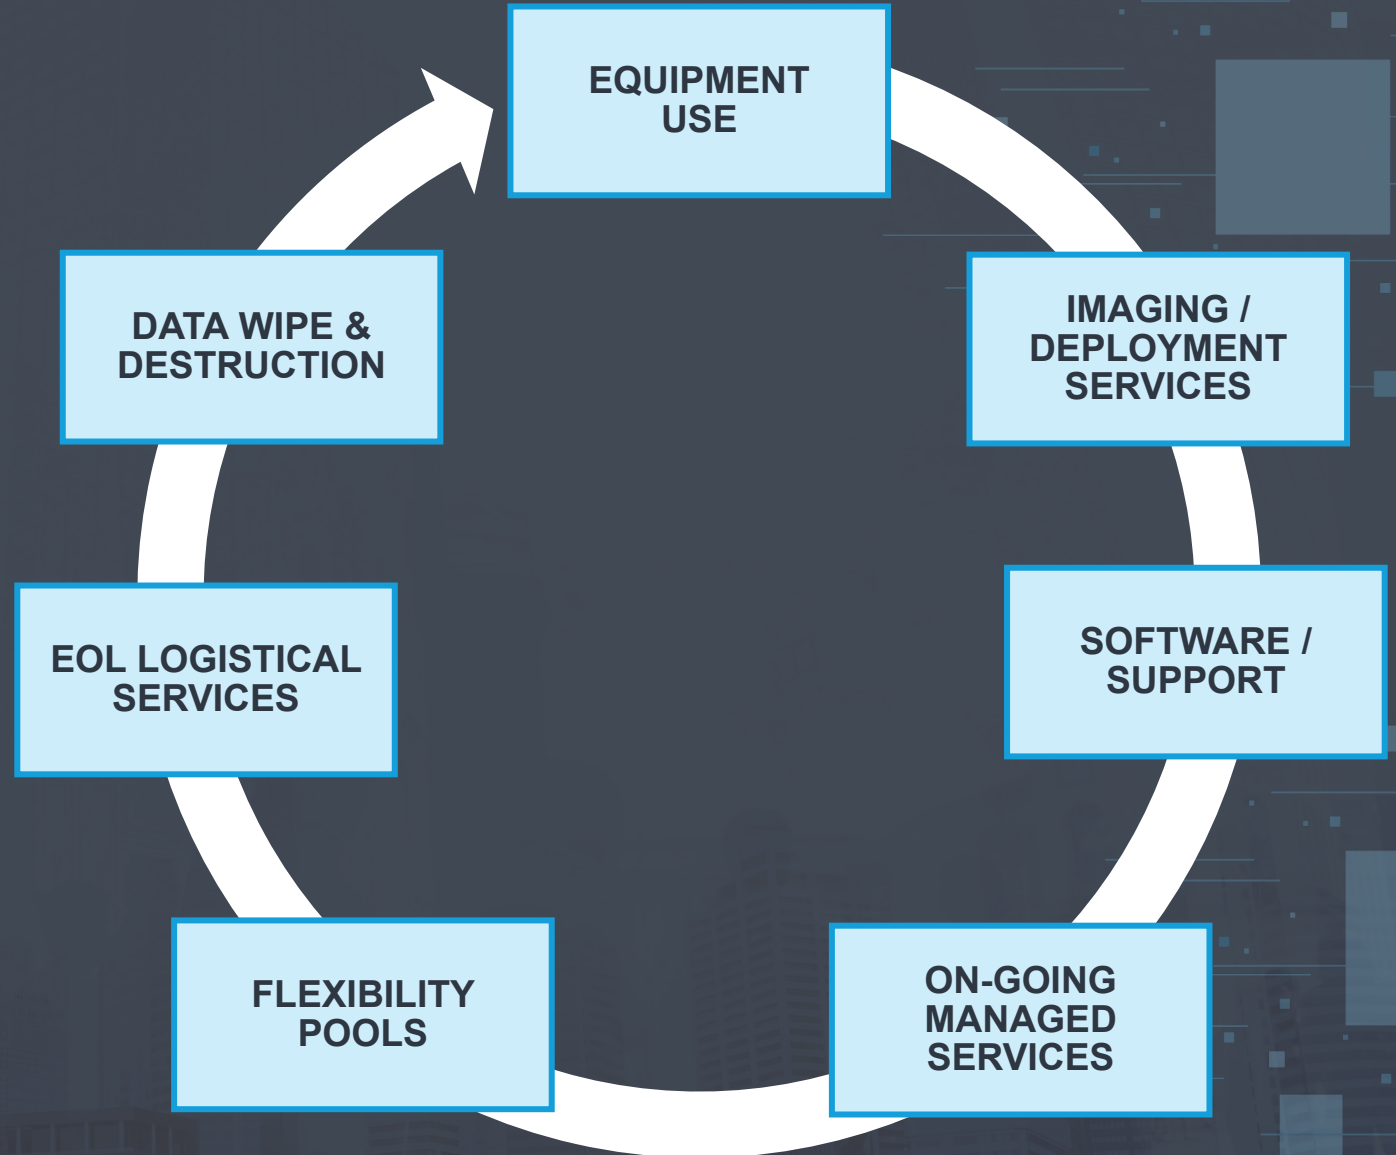

# STAGES OF THE IFS LEASE AND REFRESH PROGRAM

# OUR DEVICE- AS-A-SERVICE SOLUTION WILL ALLOW YOU TO:

- Have access to state-of-the-art technology to improve learning outcomes
- Free up IT resources to focus on more strategic initiatives
- Create a predictable budget and refresh plan
- Include various devices, software and services into one payment

# LEASE & ASSET MANAGEMENT SYSTEM

## LEASE MANAGEMENT
